

## How to order a patient decision aid via Epic

Select your patient and select an encounter.

Click: More > PHS Applications > **Patient Decision Aids**

You may **click the star** to the right of “Patient Decision Aids” to add this as an item on your **Favorites** list for easy access in the future.

Select a Patient Decision Aid by clicking the **“Order”** button

Green check-marks highlight that this PtDA had been ordered for the patient in the past. You may order it again.

You may also click **“History”** to view which PtDAs had been ordered for this patient previously.

You may click **“Feedback”** to email the HDSC staff with any questions or issues regarding the PtDAs.

The Format screen will appear next

“Web” format will be automatically selected for patients who have active Patient Gateway accounts. You may still select “DVD/Booklet” if the patient prefers that format.

“DVD/Booklet” will be automatically selected for Non-Patient Gateway patients.

**Acute Low Back Pain: Managing Your Pain Through Self-Care**

Choose a format:  Web (via Patient Gateway)  DVD/Booklet

You selected **Acute Low Back Pain: Managing Your Pain Through Self-Care**, a shared decision making program for your patient.

For patients with an active Patient Gateway account, the preferred delivery method is via the web. All other patients will receive the material in the mail sent to their home address.

An information sheet describing the program will display after you click OK.  
*Please print and give it to your patient.*

Please contact the Health Decision Sciences Center if you have any questions about the decision aid program issues requesting the order: [decisions@partners.org](mailto:decisions@partners.org)
